

LEAD Academy Trains Managers To Be Successful Leaders

“Invaluable”

LEAD Academy sessions provide an engaging and safe environment to practice newly learned skills and align work goals and actions to support the broader vision of your organization.

LEAD Academy cohorts work together for six monthly meetings, a full day each month, focusing on:

- Self-development
- Supporting the development of others
- Managing and developing a successful organization

“Enlightening”

Over 500 health care managers have completed LEAD Academy representing 55 hospital and health system members of the Hospital Council of Northern and Central California

On-site Training

Bring LEAD Academy to your facility and save \$11,000 over the cost of sending individuals to a regional training.

LEAD Academy Curriculum

SESSION 1

- From Peer, to Manager, to Leader
- Leading People Differently

SESSION 2

- Leadership Communication Best Practices
- Coaching Employees to Higher Performance

SESSION 3

- Leading Others Through Change
- Managing Performance

SESSION 4

- Building and Leading Effective Teams
- Planning and Running Effective Team Meetings

SESSION 5

- Resolving Interpersonal Conflict
- Organizing your Time, Work and Priorities

SESSION 6

- Why and How of Organizational Policies
- Business and Finance for Today's Health Care Leader

When your staff finishes their LEAD Academy cohort, they will:

1. Improve the performance of the people that report to them
2. Enhance their contribution to the achievement of your hospital's strategic goals
3. Increase their own self-management skills during every day and stressful situations

“Engaging”

“Many “lightbulb” moments throughout the six sessions. Engaging, enlightening, and enjoyable sessions where you learn and collaborate with fellow healthcare leaders.”

— Kendra Layton
ACO Program Manager
Dignity Health

“Enjoyable”

“Best management class ever!”
