

About HealthCareerCenter.com

Brought to you by the American Hospital Association, we are your gateway to health care professionals. One technology powers the career pages of 330+ health care professional associations, forming the National Healthcare Career Network (NHCN) – the largest health care association-based job board network. HealthCareerCenter.com is the job board for the Hospital Council of Northern & Central California.

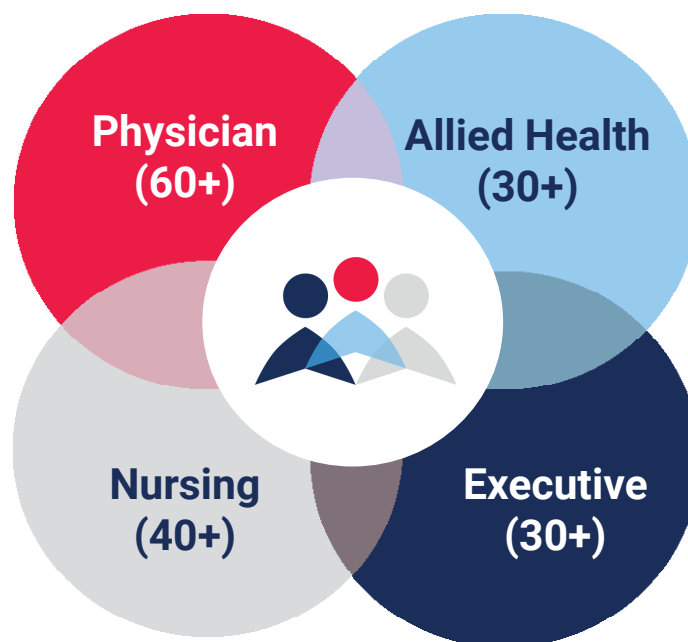

Our Value - your gateway to the NHCN

ONE posting is *automatically* distributed to all *relevant* associations' career centers
account for accessing **all** network association resume databases & viewing metrics
subject matter expert to manage your job postings and advertisements and provide detailed performance reports

Unmatched Reach & Access

- E**fficient & Effective – one access point for **all** network partners – more than 3 million members!
- A**ssociation-based audience with background, education, licensing and experience you need
- S**treamlined – one account, one invoice, one contact
- E**xpert – the AHA provides data and information relevant to job seekers and employers via HealthCareerCenter.com!
