

Why Work With MCAG

MCAG is an expert in obtaining money for businesses from our class action Settlement Recovery Service. We are partnered with over 30 of the largest medical claims billing and payment card processing companies in the nation. Through these relationships, MCAG has access to data for more than 2.5 million businesses across the country.

Experience

We have experience working with the nation's preeminent class action litigators and settlement administrators. This experience coupled with our vast partner and data network has formed the foundation for the advantage MCAG holds over its competitors. We have successfully leveraged this data on behalf of our clients to increase their class action settlement claims.

Maximizing Your Return

We have distributed class action claims in excess \$225 million in cash to thousands of businesses through our Settlement Recovery Service. MCAG has a proven history of increasing and maximizing recoveries for clients. We specialize in the following types of settlements: Medical Claims (underpaid insurance claims), Pharmaceutical, Financial (credit card fees, etc.), and Product anti-competition.

The MCAG Difference

MCAG is partnered with over 30 of the largest medical claims billing and payment card processing and acquiring companies in the nation. We are extremely familiar with the process of submitting, tracking, and reconciling all types of class action settlement claims. We provide Settlement Recovery Services to over 100,000 businesses of all sizes and levels of sophistication.

Partnerships

We often offer services to clients of our partners at a discounted rate. MCAG shares fee revenue with service partners and provides operations, sales, and marketing support. Our partners include Change Healthcare (formerly Emdeon), Allscripts, McKesson BPS, athenahealth, Availity, Cerner, Vantiv, Heartland Payment Systems, Worldpay, and Global Payments.

+ Associations and Societies

MCAG has worked closely with many associations and societies to offer value-add services to members. These organizations include the American Medical Association (AMA), Healthcare Association of New York State (HANYNS), Massachusetts Hospital Association, Texas Medical Association, International Society of Hotel Association Executives, Ohio Auto Dealers Association and over 50 other organizations.

+ Account Management

MCAG provides dedicated account management for all recovery services. We provide a "turn-key" operation for businesses to help them recover the maximum available to them under these programs and settlements. MCAG does all the data analysis, forms preparation and filing, and the reconciliation and distribution of recoveries.

+ Minimize Risk

MCAG only works on a contingent fee basis when providing recovery services for clients. This ensures that MCAG's motivation is in harmony with clients' needs and expectations.
