

WHY WITH MCAG WORK

THE MCAG DIFFERENCE

As a result of our presence in the class action settlements arena since 2003, we have gained experience working with the nation's preeminent class action litigators and settlement administrators. MCAG is extremely familiar with the process of submitting, tracking, and reconciling all types of class action settlement claims.

- MCAG is partnered with over 30 of the largest medical claims billing and payment card processing companies in the nation.
- We provide Settlement Recovery Services to over 100,000 businesses of all sizes and levels of sophistication. Clients include sole proprietors to nationally recognized businesses and healthcare systems.
- MCAG has distributed class action payments in excess of \$225 million to clients through our Settlement Recovery Service.
- We have a proven history of increasing and maximizing recoveries for clients.

ENSURING YOU GET WHAT YOU'VE EARNED

MCAG is an expert in obtaining money for businesses

Each settlement that MCAG pursues for clients is unique in its overall complexity, submission requirements, and timing from claim filing to payout. The number of opportunities in a given year will vary.

Fortunately, MCAG clients rest assured that we continually search for class action settlement opportunities so our clients are free to concentrate on their regular daily activities, while we work to add "found money" to your bottom line.

MCAG specializes in settlement assistance in the following areas

- Healthcare (e.g. insurance claims were incorrectly underpaid)
- Pharmaceutical (e.g. an organization overpaid for drugs purchased on behalf of its employees)
- Financial (e.g. merchants overpaid credit card interchange fees)
- Product anti-competition (e.g. products with inflated prices were purchased, either directly or indirectly)

Service Details

If you choose to engage MCAG for our Settlement Recovery Service MCAG will:

- Provide guidance and assistance in retrieving the applicable documentation and information,
- Prepare any required forms and ensure an accurate and timely claim submission,
- Work with settlement administrators to reconcile and distribute the appropriate recovery under the terms of the settlements, and
- Find future settlement opportunities applicable to your organization.

Minimize Risk

MCAG only works on a contingent fee basis when providing recovery services for clients. This ensures that MCAG's motivation is in harmony with clients' needs and expectations.
